**IV. Conditions of Acceptance and Health Status Update**

**You must fully answer each question in this application even though you may already be a Health Plan member.** If we decide to accept you for Kaiser Permanente for Individuals and Families membership, our decision would be based primarily on health information you provided in your application and would be conditioned on your actual health being consistent with the information you provided. If you are unsure of your current medical condition, we strongly recommend that you ask your current or previous physician to clarify your specific condition.

If you are a present or former Health Plan member, we will review your prior health history with Kaiser Permanente prior to making our decision. We reserve the right to review your use of health services during your first year of membership to confirm consistency with your pre-enrollment health information.

Be sure to complete the form accurately. If you are unsure about the answer to any question for yourself or a dependent, take the time to make sure the information is accurate before submitting it to us. Any person who, with intent to defraud or knowing that he is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud.

**Note: If we discover that you intentionally provided incomplete or incorrect material information in the enrollment process, we will rescind your membership. This means that we will completely void membership so that no coverage ever existed. You will have to pay as a nonmember for any services we covered.**

**VII. HIPAA eligibility questionnaire and request for enrollment**

You may be eligible for Kaiser Permanente individual coverage without medical review. HIPAA (the Health Insurance Portability and Accountability Act of 1996) is a law that guarantees individuals health coverage without medical review if they meet the five requirements listed in Section A of the questionnaire below. Please complete this application page and return it with pages 1–5 so that your eligibility for individual coverage under HIPAA can be determined. This way, if you do not pass medical review for Kaiser Permanente for Individuals and Families coverage but meet **ALL** of the following five requirements, you are guaranteed coverage in a Kaiser Permanente HIPAA plan with benefits most like the Kaiser Permanente for Individuals and Families plan to which you applied.\* If you are eligible, then this document is your offer of guaranteed enrollment in the applicable Kaiser Permanente HIPAA-qualified plan.

**Note: We will guarantee to enroll you in the applicable Kaiser Permanente HIPAA-qualified plan only if you meet HIPAA eligibility requirements, and only if your Kaiser Permanente for Individuals and Families application is declined. If you qualify for both plans, we will enroll you in Kaiser Permanente for Individuals and Families. HIPAA rates may be significantly higher than Kaiser Permanente for Individuals and Families rates.**

**\*You are responsible for choosing the HIPAA plan for which you would like to receive health coverage.** As part of a state-mandated program, Kaiser Foundation Health Plan of Ohio offers two HIPAA plans: HIPAA Basic and HIPAA Standard. For a comparison of rates and benefits between the two HIPAA plans, please review the HIPAA section of the enrollment booklet or call **1-800-524-7371, ext. 5613**.

**Questionnaire**
